

Pittsburgh "Street Series" Light

Cobalt porcelain reflector with statuesque iron mount, original socket, and insulators. A beautiful, EARLY street light. . . 90-100 years old.

20.5"W x 10.5"H • circa 1915-1925

"This fixture and reflector is designed for graceful and quiet ornamental appearance. It is recommended especially for its simplicity, durability against weather conditions, ease of cleaning; simply a plain smooth reflector without fantastic shape or fancy flutes." (fr. 1925 bulletin: "Pittsburgh Street Series Lighting.")
