

Crouse-Hinds DLA 101 (Eco-resin)

Designed for "hazardous situations," this early Crouse-Hinds fixture's aluminum mount has been buffed to a soft luster to complement the translucence of a Lumicor shade ring of recycled plastic and "rice paper" composition. "Mid-Century" with industrial roots!

16.0"W x 11.0"H • circa 1955

illuminating the present with the past
