

Crouse-Hinds DLA 253

Amazing mount, luminous Pyrex lens, and mirrored Alzak reflector create an industrial light that is "other-worldly." Massive aluminum mount is quieted by simple form, and a hinged lid allows the 18-inch glass to swing away for easy re-lamping. We've NEVER seen one elsewhere.

20.25"W x 16.25"H • circa 1950

illuminating the present with the past
